Claim 10 (original) a manual cordless hairdryer that can be operated without utility power once the battery is charged.

Claim 11 (original) a led to indicate when the battery is charged.

Claim 12 (new) a portable hairdryer without an electric cord, provided with a long lasting battery.

Claim 13 (new) several features to regulate the hairdryer high and low air.

Claim 14 (new) a battery inserted to a contact (+) to avoid the battery to fail.

Claim 15 (new) a charger that can be attached to an electric outlet.

Claim 16 (new) a portable hairdryer to be attached to a charger for a better grip.

Claim 17 (new) a hairdryer, and a charger being made of any materials.

Furthermore, I would like to request your assistance with my claims, if further amendments are necessary. Please note that I do not have an attorney representing me, and I do all my filings on my own. I would really appreciate any assistance from your part as an examiner.

Thanking you in advance to the attention to this matter.
